15. Activities during sections were well structured and had clear goals.

16. Please describe any specific teaching practices that your TA used that particularly helped you to learn the material and/or develop your own critical perspectives on the material.

Comments
The TA read ahead of the section and planned out what we needed to touch up on before a major assignment.
Ayden at one point read through my entire assignment and gave very specific and helpful feedback for things I did not understand.
The TA was helpful in giving beneficial feedback that could help me set up my essays.
na
The way he explained the concepts and content was engaging and allowed me to have a greater understanding in the course.
Good feedback on canvas.

17. Please describe any specific teaching practices that your TA used that helped you engage with the course material or that encouraged you to feel that you could succeed in the course.

Comments
The TA gives input on what he suspects the instructor wants to happen and clarifies any questions that we have.
In the beginning when discussions were being given, I found it helpful when the TA gave a breakdown of what the teacher was looking for in regards to the assignment due that week.
na
He is very good at communicating and going over insightful information that alway helped me succeed in the course.

18. Please describe any specific teaching practices that were less helpful for your learning, or offer constructive suggestions that might improve your TA's effectiveness.

Comments
Near the start of the strikes, the TA stopped showing up without really giving any notice (at least none that I saw?) and it seemed to start being appointment only afterward.
I hoped that the TA had continued his discussion times because I was struggling with formatting the essays and that gave me a scheduled time to talk to someone about it and improve on future essays.
na
I can not think of much, Ayden is a really good TA!
